

# EARTH MOUNTAIN

Acoustic wall panel - Design by Johanna Örn

Earth is a uniquely designed acoustic wall panel. It melts perfectly in both private and public spaces where sound noise reduction is needed.

A few words from the designer: "Nature is an endless source of inspiration in my work as a designer. I find inspiration in different tactile surfaces and organic structures of natural materials and from the variety of colors found in nature."

COLOR: OFF WHITE AND ALSO AVAILABLE IN SEVERAL DIFFERENT COLORS

MATERIAL: PEAT FIBER

SIZE: 100 X 100 X 10 CM
