

# RIMA

Acoustic wall panel

Design by: Carina Seth Andersson

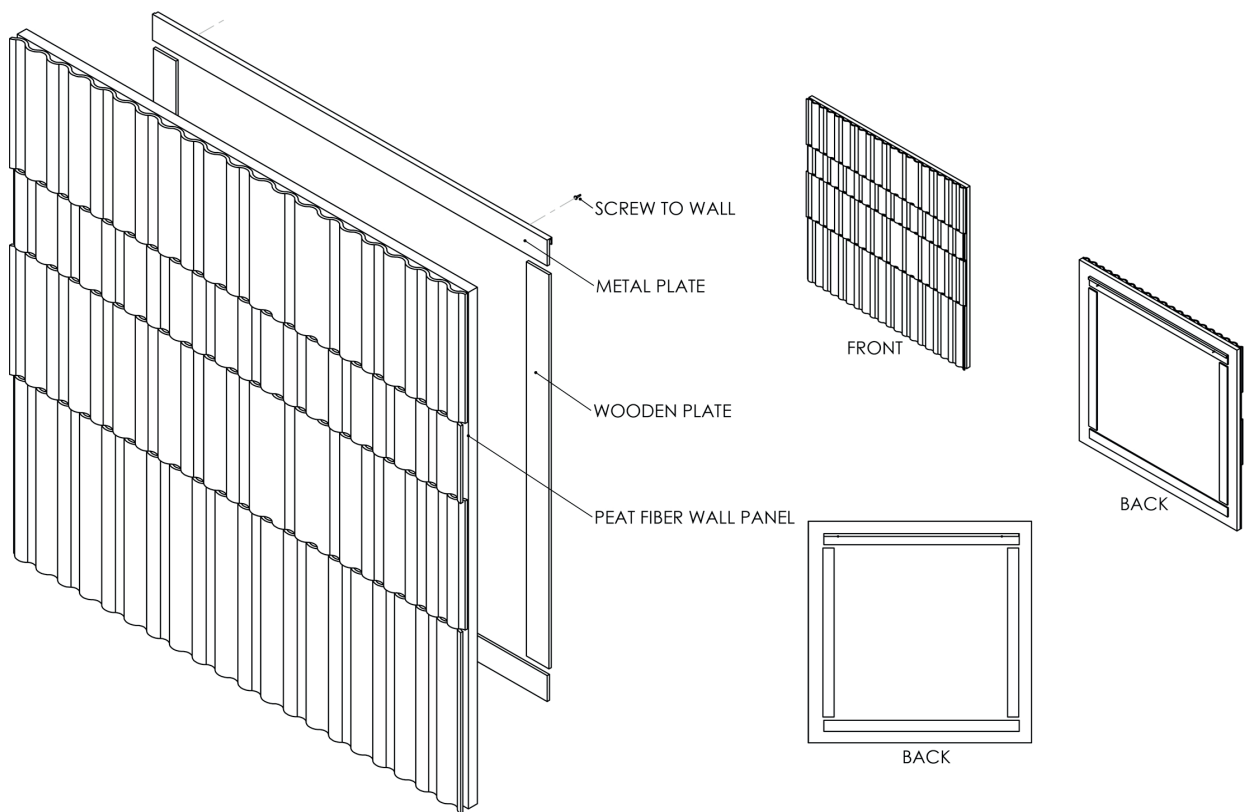

An acoustic wall panel inspired by the waves of corrugated iron.

A single panel that works wonderfully well at home as well as in rows in a public space. Rima is light-weight and easy to hang, stands moisture very well and is mold resistant.

- Colors: Natural Peat Fiber and Earth brown. Available in all NCS and RAL colors.
- Material: Peat Fiber
- Size: 1000 X 1000 X 40 mm
- Light and easy to hang
- Mold resistant
- Constitutes a very good thermal insulation material
- 100 % recyclable and nonallergic
- Fireproof class B
- Sound absorption class A
- Wall Mounting: To minimize wall damage, a metal plate hanger behind the panel is recommended and each panel requires 2 screws. Enhanced sound absorption can be achieved by creating a 20 mm gap from the wall.
- Care: wipe clean with a water dampened cloth or brush surfaces.
